Conducted means the date of conduct is on or before October 9, 2026, or the row is flagged Conducted with no later date. “Not conducted” stays open. Billing counts as submitted when the row is paid, forwarded to finance, or marked billing on process. A PO counts when a PO number is present. Typed target years after 2026 are read as 2026. 8 cancelled, dovetailed, or recalibrated rows are listed at the end and are not in these totals.
